RE: Daufuskie Island Utility Company, Inc. Rate Application  
PSC Docket No. 2014-346-WS

Dear Counselors:

For service upon you and your respective clients, please find DIUC's Second Set of Interrogatories and Requests for Production to Office of Regulatory Staff and DIUC's Third Set of Interrogatories and Requests for Production to Intervenors. As a courtesy to help the parties you save time in preparing responses, I have also included a Word version of the enclosures.

**Due to the expedited schedule in this matter, responses are required no later than November 24, 2017.** The four-day response deadline is consistent with the three-day response deadline for DIUC to respond to recent discovery from ORS and is necessary for DIUC to have the requested information in order to respond to recently submitted testimony of the five witnesses for ORS and Intervenors. Additionally, The discovery requests are narrowly tailored to the testimony recently provided and focused on information and documents that be readily accessible by the witnesses.

Please let me know if you require service of a paper copy and do not hesitate to call me with any questions.

Sincerely,

/s/  
Thomas P. Gressette, Jr.
